

CABINET EXTENSION: 6" AND 15" DEPTH

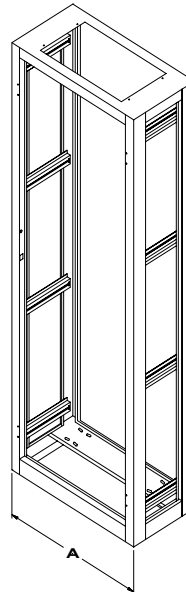

R. F. Mote Cabinet extenders provide a solution where an existing installed cabinet is not deep enough for new equipment. Available in 6" or 15" depth. Adds an additional 6" depth (6" Extender) or 15" depth (15" Extender) to existing cabinet depth. Optional, lockable, lift-off, side panels available for 15" Extender. Non-removable solid sides standard for 6" Extender.

Features:

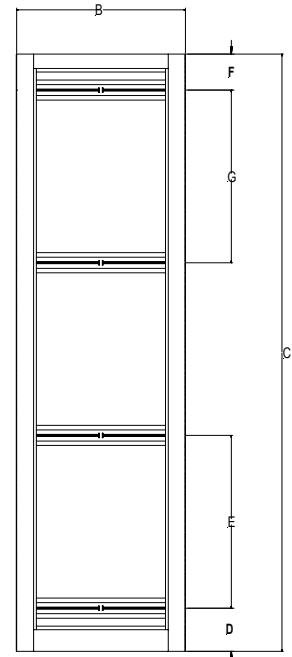

- Heavy gauge steel
- All welded construction
- Easily bolts onto any 83" (44U) R.F. Mote Series 30 or Series 24 Cabinet
- Conveniently add 6" or 15" in depth
- Allows customer to increase existing cabinet depth without removing equipment
- Eliminates the need for a new cabinet
- Optional, solid, lockable, lift off side panels available for 15" extension
- non-removable sides standard on 6" extension
- Adjustable levelling feet
- Durable textured powder coated finish
- Standard colour is all black
- Custom sizes available upon request
